

Newfoundland Labrador

THE ICEBERG FESTIVAL

Experience the Iceberg Festival on a 14-day Newfoundland & Labrador Tour. Not only are the residents of Newfoundland and Labrador the first to see the sunrise in North America, they're also lucky enough to see floating icebergs, spouting whales, and plunging puffins on a regular basis. This special Newfoundland and Labrador departure includes time at the annual Iceberg Festival in St. Anthony to celebrate the season and the arrival of the icebergs.
June 4th - 17th
