

FUNDRAISER FOR THE MEXICAN RED CROSS

This past June, Tropical Storm Beatriz struck the Oaxaca Region including Huatulco. The storm caused wide spread destruction including flooding and several deadly landslides. Residents in this region are in need of donations. As part of a fundraising effort, CISN Country and Transat are asking people to donate new personal items to the Cruz Roja Mexicana (Mexican Red Cross). Each room can bring 1 extra suitcase up to 23kg at no additional charge from Transat. Retailers that will carry these products include Costco, MEC, Campers Village.
